Dial-a-Ride Services

These are the current door-to-door Dial-a-Ride services which our members can use for trips such as shopping, appointments, visiting friends and socialising.

Membership of Adapt (NE) costs £2 per year and membership forms are available on our buses. You can become a member in order to use Dial-a-Ride if you have difficulty using public transport either because of a lack of transport in your area or because you have health problems or a disability that makes using public transport difficult.

Please note that concessionary passes can only be used where indicated.

To book a seat on a Dial-a-Ride service, simply ring Adapt (NE) on 01434 600599 by midday the working day before you wish to travel.
